

PLUMBING SYSTEMS DESIGN

by

Nick Ekdahl, CPD, GPD, Director of Training & Education

Nick Ekdahl, CPD, GPD, is the Director of Training & Education. He started with Dawson Company 36 years ago in the Inside Sales Department and has worked as the Estimator, Purchasing Agent, Purchasing Manager, Customer Service Manager, and Operations Manager. He is an active member of the Los Angeles Chapter of ASPE. Nick has a BA in Psychology & Anthropology from UCSD. He completed the Plumbing Systems Design certification through UCLA Extension and is a Certified Plumbing Designer and a Green Plumbing Designer.

~KENDAL SMITH~

Kendal graduated from BYU in Idaho with his B.S. in Mechanical Engineering. He jumped into the industry in 2017 working as a mechanical designer for one of the largest MEP consulting firms in downtown Los Angeles where he optimized HVAC systems in all types of buildings around the United States. Kendal is now part of Dawson Company's Business Development Group assisting mechanical and plumbing engineers as their fluid hydronic specialist.

~R.J. SANTIAGO, CPD, GPD

R.J. earned his Bachelor of Science in Mechanical Engineering from California State University, Fullerton, and has a Certified Plumbing Design (CPD) and Green Plumbing Design (GPD) certifications. As a Project Manager at a consulting firm, he was instrumental in multiplying the company's revenue by ten. RJ had the privilege of leading a team of elite engineers overseeing both local and international projects. Presently, he is a key player in Dawson Co.'s Business Development Group, where he supports mechanical and plumbing engineers with their hydronic needs.
